### If you have Medicare, please read & sign below:

I request that payment of authorized Medicare benefits be made on my behalf to South Lake Ears, Nose and Throat P.A. for any services furnished to me by their physician(s). I authorize any holder of medical information about me to be released to the HCFA and it's agents if any information is needed to determine these benefits or the benefits payable for related services. I understand my signature request that payment be made and authorizes release of medical information necessary to pay the claim. If "other health insurance" is indicated in item 9 of the HCFA-1500 form, or elsewhere on other approved claim forms or electronically submitted claims, my signature authorizes release of the information to the insurer or agency shown. In Medicare assigned cases, the physician agrees to accept the charge determination of the Medicare carrier as the full charge, and the patient is responsible only for the deductible, co-insurance, and non-covered services. Co-insurance and deductible are based upon the charge determination of the Medicare carrier.

**FINANCIAL ARRANGEMENTS & BILLING POLICIES**

For your convenience, we will be happy to file your insurance when provided with the proper information. Deductibles, co-payments, co-insurance and non-covered services/products are to be paid in full at the time the services are rendered, unless otherwise arranged.

A list of the insurance plans we participate with is posted by the reception desk. Also, please keep in mind that the co-pay listed on your card may only apply to primary care doctors. In many cases benefits for specialist office visits and/or services are subject to a deductible. **It is ultimately your responsibility to know your network providers and benefits.** You are also responsible for procuring a referral from your PCP if required by your plan. (If you are unsure if your plan requires a referral please contact your insurance carrier as a lack of referral may result in denial of your claim and you will be responsible for the entire amount).

**\*\*\* Please let us know immediately, if there has been a change in your name, address, phone number, as well as any changes in your insurance coverage. Per North Carolina law, providers have 90 days in which to file a claim. Delays in informing us of coverage changes could result in denial of your claim and you would be responsible for the charges incurred.**

**Our policy requires that all balances be paid in full within 30 days of treatment. All returned checks are subject to a \$20.00 charge.**

**Patient dismissal and what it means:** Our practice reserves the right to dismiss a patient at any time and usually occurs when there are outstanding balances, patient/family are verbally abusive towards staff, patient is continually seeking narcotics, or any other issue that the MD sees fit. A dismissed patient will no longer be able to receive services from any provider at our practice. This includes office visits, prescription refills, RX samples, or medical advice. A 30 day notice would be given for patient to find another physician.
